AGREEMENT

In consideration of the granting of this Permit, the Applicant agrees:

1. I hereby agree as a condition of the granting of this permit to comply with all provisions of the Elk Grove Municipal Code, any other associated permit condition, and any related small cell license agreement associated with this Permit. Applicant agrees to defend, indemnify, and hold harmless the City of Elk Grove and each of its elected or appointed officials and employees from any liability and/or responsibility for any accident, loss or damage to persons or property resulting from the Applicant's presence within the City right-of-way or any installation, construction, maintenance, state of use, repair work, on any other matter related to the Permit undertaken by Applicant and/or Applicant's agents, employees or representatives.
2. To comply with all applicable laws in the establishment, maintenance, and/or removal of the small cell wireless facility. No small cell facility shall interfere with the public use and maintenance of the travelled way, shoulder/parking lane, sidewalk/pathway, and/or traffic signal/street lighting.
3. Each small cell wireless facility will obtain electrical service consistent with the Billing Agreement for Small Cell Connections to City Streetlights associated with this Permit.
4. Each small cell wireless facility shall satisfy all Permit requirements prior to energizing facility.
5. Those engaged in any work authorized by this Permit shall conform to all due safety precautions for the protection of persons and property.
6. To remove or relocate, if directed by the City, any small cell wireless facility placed, changed or renewed under the authority of this permit as provided by the Elk Grove Municipal Code, the related Master License Agreement for Small Cell Wireless Communication Facilities, or the Billing Agreement for Small Cell Connections to City Streetlights associated with this Permit.
7. After removing, relocating, or abandonment of a small cell wireless facility, Applicant shall be responsible for the restoration or costs to restore the City facility to the equivalent or better condition than it was prior to the date this Permit became effective, or prior to the date the small cell wireless facility was first placed, whichever is earlier.
8. Applicant shall be financially responsible for the annual fee of facilities placed on City owned structures, all as required by law and/or the related Master License Agreement for Small Cell Wireless Communication Facilities associated with this Permit.
9. If a facility is sold, the original Applicant shall remain responsible for all fees unless and until transfer to new permittee is approved by the City.

"I declare under penalty of perjury under the laws of the State of California that the statements made herein are true and correct."
